EPA Construction Products Containing Recovered Materials

Photocopied on recycled paper that contains at least 20 % recycled fiber

CONSTRUCTION PRODUCTS

This list of manufacturers and suppliers of items containing recovered materials has been prepared to facilitate implementation of the U.S. Environmental Protection Agency's (EPA) Comprehensive Procurement Guideline and to assist customers interested in the purchase and use of products containing recovered materials. Manufacturers can provide the names and locations of regional or local suppliers.

Each listing is based on information provided by the manufacturer. Product information has not been verified, and no guarantee, expressed or implied, is made as to the accuracy or completeness of the information provided. Inclusion in this listing does not represent an endorsement by EPA.

For information on or copies of the Comprehensive Procurement Guideline, contact EPA's RCRA Hotline at (800) 424-9346.

BUILDING INSULATION

ROCK WOOL INSULATION

American Rockwool Inc: Product manufactured with 78 percent recovered materials.

Hwy #64 E
P.O. Box 880
Spring Hope, NC 27882
