HOW TO USE THIS CATALOG

The purpose of this catalog is to identify the Office of Solid Waste's (OSW) most frequently requested documents and where they are available. This is not a comprehensive list of all OSW documents, but rather a select list of those documents in demand.

The catalog is organized alphabetically. On the right hand side of each entry you will find:

OSW _____
GPO _____
NTS _____

These are the accession numbers by which a document is identified. If <u>only</u> the OSW number is filled in, this indicates the document is available by writing to:

RCRA Docket Information Center (RIC)
Office of Solid Waste (OS-305)
U.S. EPA
401 M Street, S.W.
Washington, D.C. 20460

or calling: The RCRA/Superfund Hotline
(202) 382-3000
(800) 424-9346

If the GPO number is filled in, this indicates the document <u>must</u> be purchased through GPO by writing to:

Superintendent of Documents
Government Printing Office
Washington, D.C. 20402

or calling: (202) 783-3238

If the NTIS number is filled in, this indicates the document <u>must</u> be purchased through NTIS by writing to:

National Technical Information Service
U.S. Department of Commerce
Springfield, VA 22161

or calling: (703) 487-4650

When the OSW number is included with the GPO and/or NTIS number, the OSW number only serves as an additional reference to assist you in identifying the document. The document <u>must</u> be purchased from GPO or NTIS, whichever is indicated.

This catalog will be updated semi-annually. Copies of the catalog are available by writing the RCRA Docket Information Center or calling the RCRA/Superfund Hotline (see above address and telephone number.
