OFFICE OF
AIR AND RADIATION

This packet is a photocopy of the written materials found in EPA's *Indoor Air Quality Tools for Schools* Kit, EPA # 402-K-95-001, Second Edition...

The contents include:

- * *IAQ Coordinator's Guide*
- * *Nine Checklists* to be used to identify, diagnose and potentially solve IAQ problems in school buildings
- * *IAQ Backgrounder* (general information on IAQ in schools)
- * *IAQ Coordinator's Forms*

This photocopy is being provided to you in lieu of a printed copy of the *IAQ Tools for Schools* Kit, which is currently out-of-stock. We anticipate receiving printed copies of the *IAQ T/S* Kit shortly and will fulfill your order as soon as possible. We hope that this photocopy will enable you to continue your work in achieving good indoor air quality in the school environment and regret the inconvenience to you. Please feel free to photocopy the contents of this packet. In addition, we invite you to visit our web site to download for free the materials from the Kit and other materials related to indoor air quality in schools.

If you have any questions or concerns, please call 202-564-9370 and ask for any member of the Schools Team of the Indoor Environments Division, U.S. EPA.

Thank you for your interest in *IAQ Tools for Schools*.
