

Transportation Products Containing Recovered Materials

TRANSPORTATION PRODUCTS

This list of manufacturers and suppliers of items containing recovered materials has been prepared to facilitate implementation of the U.S. Environmental Protection Agency's (EPA) Comprehensive Procurement Guideline (CPG) and to assist customers interested in the purchase and use of products containing recovered materials. Manufacturers can provide the names and locations of regional or local suppliers.

Each listing is based on information provided by the manufacturer. Product information has not been verified, and no guarantee, expressed or implied, is made as to the accuracy or completeness of the information provided. Inclusion in this listing does not represent an endorsement by EPA.

For information on, or copies of the CPG, contact EPA's RCRA Hotline at 800 424-9346 or access EPA's Reduce, Reuse, Recycle...Through Procurement Website at www.epa.gov/epaoswer/non-hw/.

This list contains information on the following products or supplies:

TRAFFIC BARRICADES

TRAFFIC CONES

PARKING STOPS

TRAFFIC CONTROL DEVICES:

Channelizers

Delineators

Flexible Delineators

Fax: 540 678-1820

[Note: According to the National Precast Concrete Association, concrete containing coal fly ash, a previously designated item, is used in parking stops by some manufacturers, although none were identified by EPA. EPA also has reason to believe that parking stops could be made from concrete containing ground granulated blast furnace slag (GGBF).]
