

Transportation Products Containing Recovered Materials

TRANSPORTATION PRODUCTS

This list of manufacturers and suppliers of transportation products containing recovered materials was prepared to facilitate implementation of the U.S. Environmental Protection Agency's (EPA) Comprehensive Procurement Guideline (CPG) and to assist customers interested in purchasing and using products containing recovered materials. Some manufacturers provided the names and locations of regional or local suppliers.

Each listing is based on information provided by the manufacturer. Product information was not verified, and no guarantee, expressed or implied, is made as to the accuracy or completeness of the information provided. Inclusion in this listing does not represent an endorsement by EPA.

For information on or copies of the CPG, contact EPA's RCRA Hotline at 800 424-9346 or access EPA's CPG Web site at <www.epa.gov/cpg>.

This list contains information on the following products or supplies:

TRAFFIC BARRICADES

TRAFFIC CONES

PARKING STOPS

TRAFFIC CONTROL DEVICES:

Channelizers

Delineators

Flexible Delineators

Contact: John M. Gebert
Phone: 215 283-9600 or 888 853-2784
Fax: 215 283-9970

Note: According to the National Precast Concrete Association, concrete containing coal fly ash, a previously designated item, is used in parking stops by some manufacturers, although none were identified by EPA. EPA also has reason to believe that parking stops could be made from concrete containing ground granulated blast furnace slag.

TRAFFIC CONTROL DEVICES

Channelizers

Flex Stake, Inc.
