## Order your Planet Protectors Club kit!

Designed for  
students  
in grades

K-6, this

kit can be

used as a classroom supplement, as part of a larger environmental or Earth Day unit, as a complement to EPA's solid waste teacher's resource, *The Quest for Less*, or as an after school, extra credit, or at-home project.

The Planet Protectors Club takes kids on a learning adventure with challenging activity books and educational games—on the Web and in print.

## Embark on a mission to learn about:

- Resource Conservation
- Source Reduction
- Climate Change and Waste
- Composting
- Reuse
- Waste Disposal
- Recycling
- Recycled Products

Students can use this kit to broaden their skills in problem-solving, analysis and deduction, math, and vocabulary.
