QUARTERLY LIST
POLLUTION PREVENTION RESOURCES
Fall 2003

The Pollution Prevention Information Clearinghouse is primarily a distribution center for EPA documents and fact sheets dealing with source reduction and pollution prevention. EPA documents and fact sheets are provided at no cost based on availability. PPIC also provides a reference and referral service for pollution prevention questions.

Note: Resources for which URLs are provided (instead of publication numbers) are available ONLINE ONLY. Documents with publication numbers listed may be ordered by publication number with the order form at the end of this list. Documents are listed in reverse chronological order (newest to oldest) in their categories.

Order documents by writing the EPA Publication Number on the attached order form. Mail to the address of our distributor (U.S. EPA National Service Center for Environmental Publications) provided at the end of this Resource List, or call, fax, or e-mail requests to the address and numbers above. **Documents can also be ordered on-line at <http://www.epa.gov/opptintr/library/ppicdist.htm>.** **Note: The online PPIC Resource List also provides links to many more web resources and tools.**

Many older pollution prevention documents no longer distributed in hard copy are available on the PPIC Archive web page, at: <http://www.epa.gov/opptintr/library/ppicarchive.htm>.

**PLEASE ALLOW 3 WEEKS FOR DELIVERY AND LIMIT YOUR REQUEST TO A
TOTAL OF TEN (10) ITEMS.**

NEW DOCUMENTS

PPIC Quarterly List of Pollution Prevention Publications

EPA-742-F-03-004 * (11 pp) * Fall 2003

Quarterly update of PPIC's Resource List featuring the hard copy documents available from PPIC. Categories of documents include New Documents, General P2 Info & Policy, Environmental Accounting, Environmentally Preferable Purchasing, PBT Program and Hospitals for a Healthy Environment, and Design for the Environment.

EPA's Green Future for Laboratories: A Case Study of the Kansas City Science & Technology Center

EPA-200-F-03-001 * (16 pp) * May 2003

An overview of the sustainable design features of EPA Region 7's science and technology laboratory, including information on green language in the Solicitation for Offers (SFO), the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) scorecard for the facility, notable features of the final design, and compliance with "Greening the Government" Executive Orders.

Building Owners Save Money, Save the Earth: Replace Your CFC Air Conditioning Chiller

EPA-430-F-02-026 * (10 pp) * December 2002

This brochure examines the environmental and financial reasons to replace CFC building chillers with new energy-efficient equipment. Reviews environmental performance aspects of alternative chillers and market incentives for replacement of CFC chillers. Includes list of supporting organizations, and resource information useful for purchasers, building owners, governments, and industry.

GENERAL P2 INFORMATION & POLICY

Web Resources

Pollution Prevention (P2) Web site

<http://www.epa.gov/p2/>

The EPA Office of Pollution Prevention and Toxics' (OPPT) P2 site offers info on P2 benefits for different audience groups, and info on P2 policy, programs, technical assistance and resources.

PPIC's Pollution Prevention Conferences List

<http://www.epa.gov/opptintr/library/ppicconf.htm>

Updated by PPIC monthly.

DESIGN FOR THE ENVIRONMENT

Design for the Environment is an EPA partnership program which works with industry sectors to improve the performance and reduce the human health and environmental risks and costs of existing and alternative products and processes. DfE's partnership projects promote integrating cleaner, cheaper, smarter solutions into everyday business practices.

DfE Publications

Design for the Environment hard copy publications include the following categories: General Information; Electronics (Computer Displays, Lead-Free Solder, Printed Wiring Boards); Environmental Management Systems; Garment & Textile Care; Printing (General, Flexography, Gravure, Lithography, Screen Printing, Spanish). Please see **PPIC's DfE Publications page** to place orders for Design for the Environment publications:
