

# Pay-As-You-Throw (PAYT) Online!

**E**PA's PAYT initiative is moving to an online-only format—saving energy, trees, and money, and making PAYT materials more accessible to boot. As part of this effort, PAYT's late-breaking news source, the *PAYT Bulletin*, will no longer be available in hard-copy. Be sure to join our electronic mailing list by sending an email to <payt@erg.com> with your name, title, affiliation, mailing address, and email address to continue to receive the news, information, updates and inspiration the *PAYT Bulletin* has always provided. You've come this far—don't get left behind!

In the new year, you can do more than just receive the *PAYT Bulletin*—you can be a part of it! Send us your news of new programs, expanded programs, or other great PAYT information from your community, and look for your program in a future issue of the *PAYT Bulletin*.

We want to hear from you and promote you! Send an email to <payt@erg.com>, and don't forget to include your name and contact information.

The same materials that have helped thousands of communities realize the economic and environmental benefits of PAYT will continue to be available to download or order on <[www.epa.gov/payt](http://www.epa.gov/payt)>. This site offers a variety of self-directed PAYT tools for communities of any size, on any continent, including:

- Case studies
- Community contacts
- FAQs
- Handbooks
- Newspaper and magazine articles
- Related links
- Videos
- Workbooks
