Spring 2000 NEW PUBLICATIONS

Mail, phone, fax, or e-mail requests to the address and numbers above. EPA documents and fact sheets are provided at no cost based on availability. Please allow 3 weeks for delivery and limit your request to a total of 10 items.

DESIGN FOR THE ENVIRONMENT

PRINTED WIRING BOARDS

EPA/744/F-99/006 **Design for the Environment Printed Wiring Board
Project Fact Sheet**
(2pp) February 2000

This newly-updated fact sheet describes the two goals of the Design for the Environment (DfE) Printed Wiring Board Project, summarizes the technical, communication, and implementation work completed for the "making holes conductive" project, and outlines the current work on alternative surface finishes.

EPA/744/R-00/002 **Implementing Cleaner Printed Wiring Board
Technologies: Surface Finishes**
(45pp) March 2000

This document gives suggestions for implementing and using alternative surface finishes in manufacturing printed wiring boards, and describes the lessons others have learned in implementing alternative PWB finishes.

ENVIRONMENTAL ACCOUNTING

EPA/742/B-00/001 **Environmental Accounting Products Available from
the U.S. Environmental Protection Agency (EPA)**
(6pp) February 2000

This is an updated distribution listing for Environmental Accounting documents available from the Accounting Project.

EPA/742/F-00/007 **Environmental Accounting Project: Quick Reference
Fact Sheet**

(1p) March 2000

This updated fact sheet provides an overview of the Environmental Accounting Project's history, objectives, activities, and products.

EPA/742/R-00/001 The Lean and Green Supply Chain: A Practical Guide for Materials Managers and Supply Chain Managers to Reduce Costs and Improve Environmental Performance

(48pp) January 2000

This booklet illustrates the efficiency-enhancing opportunities that arise when companies incorporate environmental costs and benefits into mainstream materials and supply chain management decision-making. It provides introductory guidance on how to identify these costs and benefits and how to adjust existing information systems and analysis techniques to better account for this significant category of costs.

ENVIRONMENTAL LABELING
CONSUMER LABELING

EPA/740/F-00/001 Read the Label First! Protect Your Kids
(2pp) February 2000

Produced by the Consumer Labeling Initiative, this brochure identifies ways to protect your children by reading and following information on household product labels.

EPA/740/F-00/002 Read the Label First! Protect Your Pets
(2pp) February 2000

Produced by the Consumer Labeling Initiative, this brochure identifies ways to protect your pets by reading and following information on household product labels.

EPA/740/F-00/003 Read the Label First! Protect Your Garden
(2pp) February 2000

Produced by the Consumer Labeling Initiative, this brochure identifies ways to protect your garden and save money all by reading and following information on outdoor pesticide labels.

EPA/740/F-00/004 Read the Label First! Protect Your Household
(2pp) February 2000

Produced by the Consumer Labeling Initiative, this brochure identifies ways to protect your children, your pets, and your garden all by reading and following information on household product labels.
