Pollution Prevention Information Clearinghouse (PPIC)

The PPIC is a free, nonregulatory service of the United States Environmental Protection Agency (U. S. EPA) dedicated to reducing or eliminating industrial pollutants through technology transfer, education, and public awareness.

P2 Information Products

The PPIC's Information Products listed below are also available on the World Wide Web through our homepage at: <http://www.epa.gov/opptintr/library/libppic.htm>. Contact us (202-260-1023) to order selected EPA documents and fact sheets at no cost.

- **Pollution Prevention Publications**, such as EPA documents and fact sheets dealing with source reduction and pollution prevention, are available from the Clearinghouse. This list is updated quarterly. Go to: <http://www.epa.gov/opptintr/library/ppicdist.htm>
- The **PPIC Archive** contains electronic versions of older pollution prevention documents no longer available in hard copy. Go to: <http://www.epa.gov/opptintr/library/ppicarchive.htm>
- The **New Documents List** provides more detailed information about documents recently added to the Pollution Prevention Publications list. Go to: <http://www.epa.gov/opptintr/library/ppicnew.htm>
- The **Conference List** gives details and contact information for many current and upcoming Pollution Prevention Conferences, workshops & training opportunities. Go to: <http://www.epa.gov/opptintr/library/ppicconf.htm>

Reference & Referral Service

The PPIC can also answer questions about pollution prevention or refer you to appropriate contacts for additional information. Visit the EPA's Pollution Prevention Home Page at www.epa.gov/p2/ to learn more about the Agency's pollution prevention programs and initiatives.
