QUARTERLY LIST POLLUTION PREVENTION PUBLICATIONS SPRING 1998

The Clearinghouse is primarily a distribution center for EPA documents and fact sheets dealing with source reduction and pollution prevention. It also provides a reference and referral service for pollution prevention questions.

NOTE: Publications added since the Fall 1997 Distribution List are indicated by an "*". Other pollution prevention information sources are on pages 23-24.

Order documents by writing the corresponding number on the attached order form. Mail, call, fax, or e-mail requests to the address and numbers above. EPA documents and fact sheets are provided at no cost based on availability.

Please allow 3 weeks for delivery and limit your request to a total of 10 items.
