## FOREWORD

*The information contained in this Forecast represents EPA's best assessment of its Fiscal Year 1999 and Fiscal Year 2000 contract requirements. This Forecast is based on the best information available at the time of publication and is intended for PLANNING PURPOSES ONLY. Procurement methods, dollar ranges, etc., may change as a result of budget constraints and other considerations. In addition, this Forecast does not constitute a commitment by EPA to procure the described supplies and services. This Forecast will be updated the second and third quarters of Fiscal Year 1999. Questions regarding any of the listed requirements may be addressed to the EPA official specified in this Forecast or to the Agency Competition Advocate, Rosemarie Nance, at (202) 564-4321 or via Internet: [www.epa.gov/oam](http://www.epa.gov/oam)*
