Glossary of Terms

Applicant:

The name of the grantee; for fellowships, the name of the grantee's institution is used rather than the name of the fellow.

Date of Award:

The calendar date on which the offer of an award is officially signed by the Environmental Protection Agency.

Grant Number:

A six digit number, under the EPA system, assigned to each project. Those grant numbers assigned by predecessor organizations have been modified into a seven digit number.

Media:

Indicates the program area for a project.

Municipality:

The location of the grantee; for fellowships, the location of the grantee's institution is used.

Project Director/Community Representative:

The name of the individual, affiliated with the grantee or organization, who is in charge of the project. For fellowships, the name of the fellow is used.

Title:

The name of the Project.
