Volume II

OCTOBER 1974

Showing Only Waste Water Treatment Construction Awards
in Fiscal Year 1974

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Administration
Grants Administration Division

INTRODUCTION

This AWARDS REGISTER has been divided into three volumes, thus allowing the content of each volume to better satisfy the needs of the particular audience that might purchase the publication from the National Technical Information Services (NTIS), Springfield, Virginia 22151. By the use of three volumes, certain administrative procedures are simplified and sizable economies are realized.

All volumes issued covering fiscal year 1974 awards will be numbered EPA-GAD/1-74-005 with the volume designation following this number. The contents of the volumes are as follows:

- Vol. I Lists all Awards in Fiscal Year 1974
 Except Waste Water Treatment Construction
 and Waste Water Treatment Reimbursement
 Awards.
- Vol. II. Lists Only Waste Water Treatment Construction
 Awards in Fiscal Year 1974.
- Vol. III. Lists Only Waste Water Treatment Reimburse-
 Awards in Fiscal Year 1974.

Volumes can be purchased separately from NTIS.

Glossary of Terms

Applicant:

The name of the grantee; for fellowships, the name of the grantee's institution is used rather than the name of the fellow.

Date of Award:

The calendar date on which the offer of an award is officially signed by the Environmental Protection Agency.

Grant Number:

A six digit number, under the EPA system, assigned to each project. Those grant numbers assigned by predecessor organizations have been modified into a seven digit number.

Media:

Indicates the program area for a project.

Municipality:

The location of the grantee; for fellowships, the location of the grantee's institution is used.

Project Director/Community Representative:

The name of the individual, affiliated with the grantee or organization, who is in charge of the project. For fellowships, the name of the fellow is used.

Title:

The name of the Project.
