1/ Figures do not include \$19,106,340 in FY 73 recovered funds.

2/ Projects shown in GICS as on Project Priority List for which applications have not been received in Regional Office.

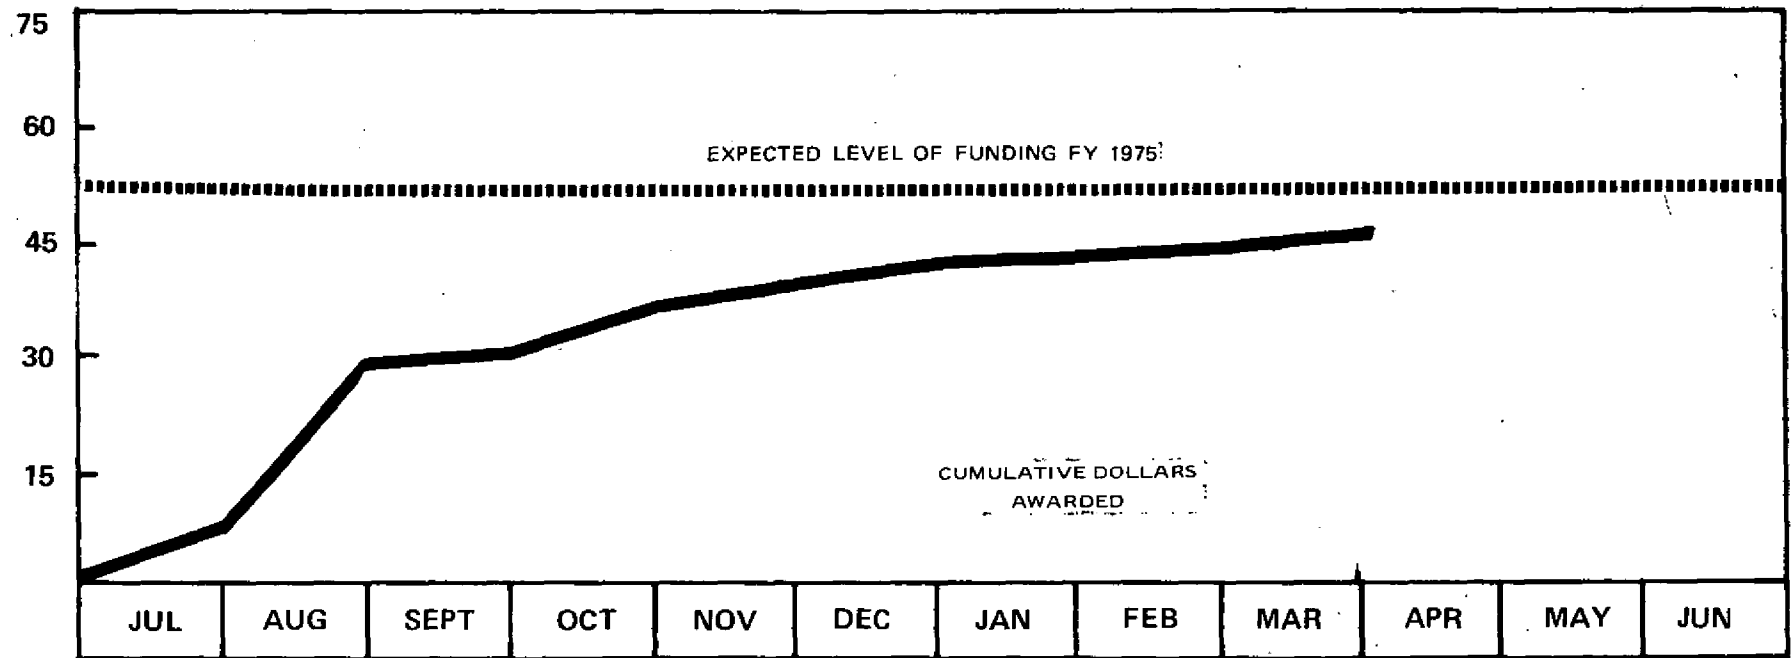

3/ Applications shown in GICS as in process in Regional Office.

4/ Difference between Available Funds (3/31/75) and dollars that would be required to fund Applications in process and projects remaining on Project Priority Lists. A negative amount indicates that the unfunded projects remaining on the approved State Project List exceed available allotments.
