

Activities of the Grants Assistance Programs

We obtain these data from the Grants Information and Control System (GICS), monthly regional reports of grant activity and other sources.

We base available funds upon advices of allowance (and sub-allocations) issued; we have not reduced the balances to reflect projects recommended for funding (commitments) but not yet awarded.

We estimate projected annual funding data at the time of publication.

Monthly awards figures are preliminary and subject to adjustment.

An administratively consolidated grant is one funded under more than one grant authority by the Environmental Protection Agency.

Increases and decreases in funding may include revisions (change in project scope) and augmentations (project scope unchanged).

The Financial Management Division will provide detailed information upon request.

Grant Highlights

\$216 MILLION FUNDED IN APRIL

EPA approved 660 grants totaling \$216 million in April all total grant dollars awarded during the first seven months of FY 81 were down \$105 million from last year (\$1.657 billion compared to \$1.762 billion awarded during the same period of FY 80). All State and Local grant programs with the exception of WWT Construction Grants were up from last year.

RESEARCH, DEMONSTRATION, AND OTHER HEADQUARTERS ACTIVE PROJECTS TOTAL \$211 MILLION

As of April 30, 1981, Headquarters active projects totaled \$211 million. Research grants as contrasted with demonstration and other Headquarters projects represented 63% (\$133 million) of the total active grant dollars. (During the same period of FY 80, research grants represented 52% of the Headquarters active projects).

WWT CONSTRUCTION GRANTS OBLIGATIONS DECREASED 5% FROM SAME SEVEN MONTHS PERIOD IN FY 80

Obligations during the first seven months of FY 81 totaled \$1.2 billion, a decrease of 5% (\$62 million) from the same period of FY 80.

96 STEP 3 WWT CON- STRUCTION GRANTS PROJECTS IN THE PRE- CONSTRUCTION STAGE FOR OVER 12 MONTHS

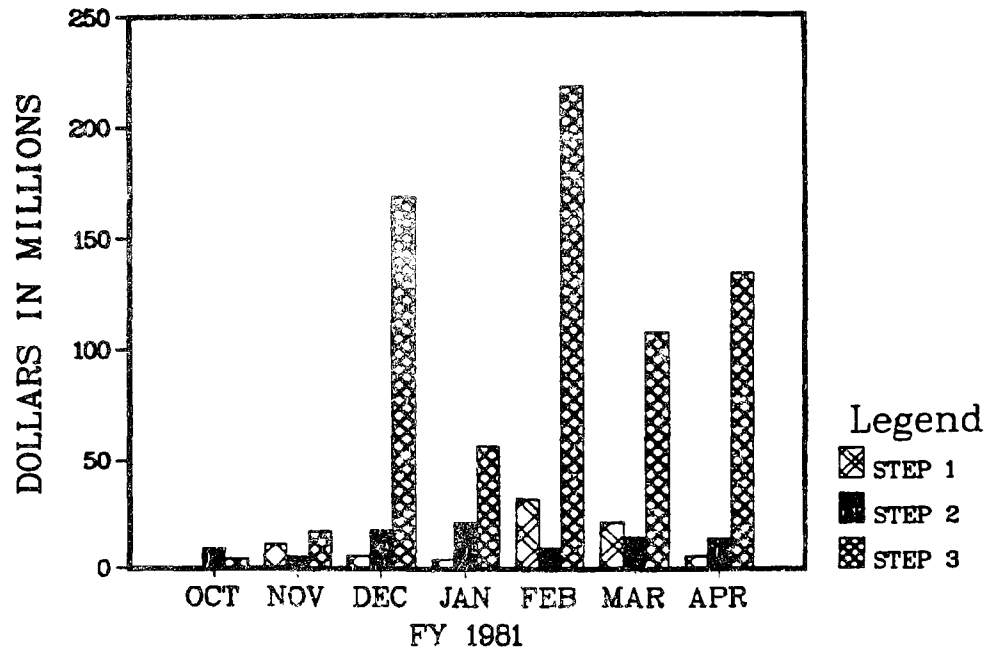

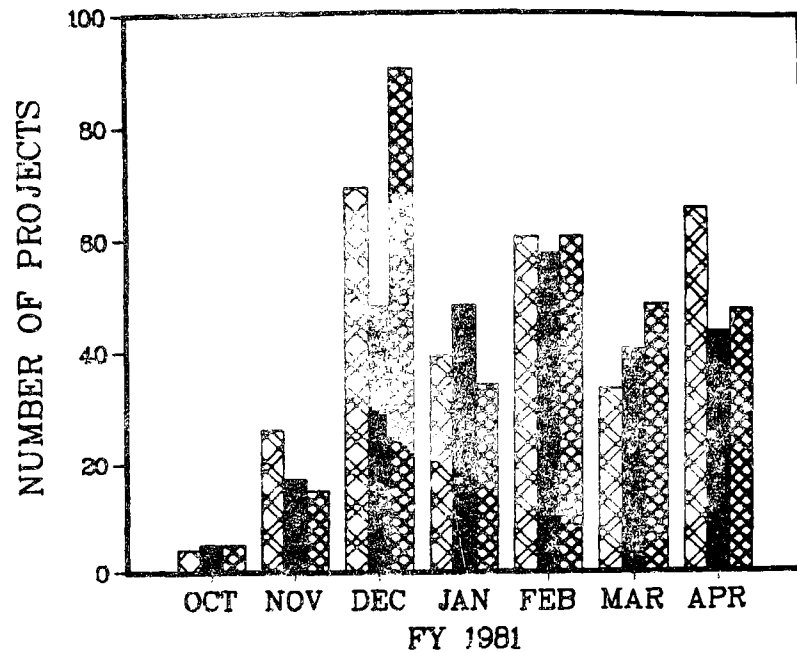

The distribution of Step 3 WWT Construction Grants projects awaiting construction through April 1981 indicates that 134 have been in that stage for 6 months or less, 276 projects 7 to 12 months; and 96 projects, or 19% of the total, for over 12 months.

EPA AWARDED \$50 MILLION OR MORE TO 50 WWT CONSTRUCTION PROJECTS

EPA has awarded funds in excess of \$50 million each to 50 projects since passage of PL 92-500. These 50 Step 3 projects received \$4.2 billion or 16% of the total Step 3 grant dollars.
