

Great Lakes Technical Reports Bibliography

HOW TO GET A COPY

The Great Lakes technical reports listed here, grouped under broad subject categories, may be obtained from two sources:

Great Lakes National Program Office (GLNPO)
U.S. EPA
230 South Dearborn Street
Chicago, Illinois 60604
(312) 353-3565

and

U.S. Department of Commerce
National Technical Information Service (NTIS)
5285 Port Royal Road
Springfield, Virginia 22161
(703) 487-4650
(800) 336-4700

GLNPO has a limited number of copies, which may be obtained free of charge. Publications not available at GLNPO, or those ordered in large quantities must be paid for and obtained from NTIS.

Publication numbers. When ordering from either source, by mail or by phone, please include both publication numbers whenever two numbers are listed. Most numbers have an "EPA" or an "NTIS" prefix.

Prices. All prices are coded: The first letter-number combination refers to paperback copies; the second-to microfiche copies, which can be obtained through NTIS only. For actual dollar amounts, please refer to the price list below. For prices not listed, contact NTIS.
