FOREWORD

The Office of Small and Disadvantaged Business Utilization (OSDBU) is please to develop this Directory as an aid to Women-Owned Business Enterprises (WBEs) in our effort to provide greater access to goods and services procured by the U.S. Environmental Protection Agency (EPA).

The Directory is intended to be a primary resource for EPA's contract personnel, project officers, and participating prime contractors. Also, we hope that this Directory will achieve wide circulation and support small business enterprises in becoming competitive environmental contractors.

Copies of this Directory may be obtained by calling (703) 305-7777, Internet Homepage at address <http://www.epa.gov/osdbu>, or you may write to:
