FOREWORD

This directory is a compilation of self-certified Minority Business Enterprises (MBE) and Women Business Enterprises (WBE). The owners of these businesses have expressed an interest in participating in EPA Funded wastewater treatment projects, by completing an EPA Capability Statement. An example of the Capability Statement is included in this directory.

THIS PUBLICATION IS NOT INTENDED TO BE ALL INCLUSIVE, NOR DOES IT PROVIDE EPA ENDORSEMENT OF ANY OF THE FIRMS LISTED HEREIN. IT IS A SOURCE LIST TO ASSIST EPA GRANTEEES, CONSULTANTS AND CONTRACTORS IN LOCATING MBES AND WBES TO PARTICIPATE IN EPA FUNDED PROJECTS.

Minority/Women Business Enterprises desiring to be listed in subsequent printings of this directory should complete the Capability Statement and forward it to:

Attn: Irene Little
Minority Business Officer
Municipal Facilities Branch (5WF)
U.S. Environmental Protection Agency
230 South Dearborn Street
Chicago, Illinois 60604

This directory will be revised and updated as deemed necessary. Names of MBEs/WBEs not listed will be included in future publications upon receipt of a completed Capability Statement which indicates apparent minority or female ownership.
