LIST OF APPROVED SECTION 608 CERTIFYING ORGANIZATIONS

OZONE PROTECTION HOTLINE TOLL-FREE (800) 296-1996

EPA'S OZONE DEPLETION WORLD WIDE WEB SITE:

<http://www.epa.gov/ozone/title6/608/608certs.html>

May 2000

This list will be updated when other technician certification programs are approved. Programs appearing on this list are approved to provide the EPA technician certification test; however, this approval list does not address the status of technicians that participated in any voluntary training and/or certification program. Lists of voluntary programs approved under the grand fathering requirements are available. Programs offering Type I tests using the mail-in option, are noted. Unless otherwise indicated, those programs also provide on-site testing. In addition, EPA does not review or approve any training programs or materials. Please note: The addresses and phone numbers listed below are for the programs' headquarters. Many programs offer testing locations throughout the country. Each program will be able to provide you with their testing locations.
