

# **INTERNATIONAL ENVIRONMENTAL REPORTS**

## **BIBLIOGRAPHY # 3**

**Office of International Activities  
U. S. Environmental Protection Agency  
April 1977**

## PREFACE

This Bibliography is a list of foreign publications concerning environmental impact assessments of projects in other countries.

The publications, received by EPA under our International Documents Exchange, are located in the Headquarters Library. English summaries are contained in the monthly "Summaries of Foreign Government Environmental Reports."
