FOREWORD

This 1987 directory includes a listing of non-profit organizations which are in part, at least, interested in the environment. We have contacted each group and obtained up-to-date names and addresses, and a brief description of their areas of concentration.

This directory is arranged alphabetically by state in EPA's Region VIII. Groups are listed in the following manner:

Organization Title (acronym, if used)

A brief description of the groups' interests and other information that the group provided to us.

Chapter Title (if applicable)

Contact Persons Name

Mailing Address

City, State Zip Code

Telephone Number for the group

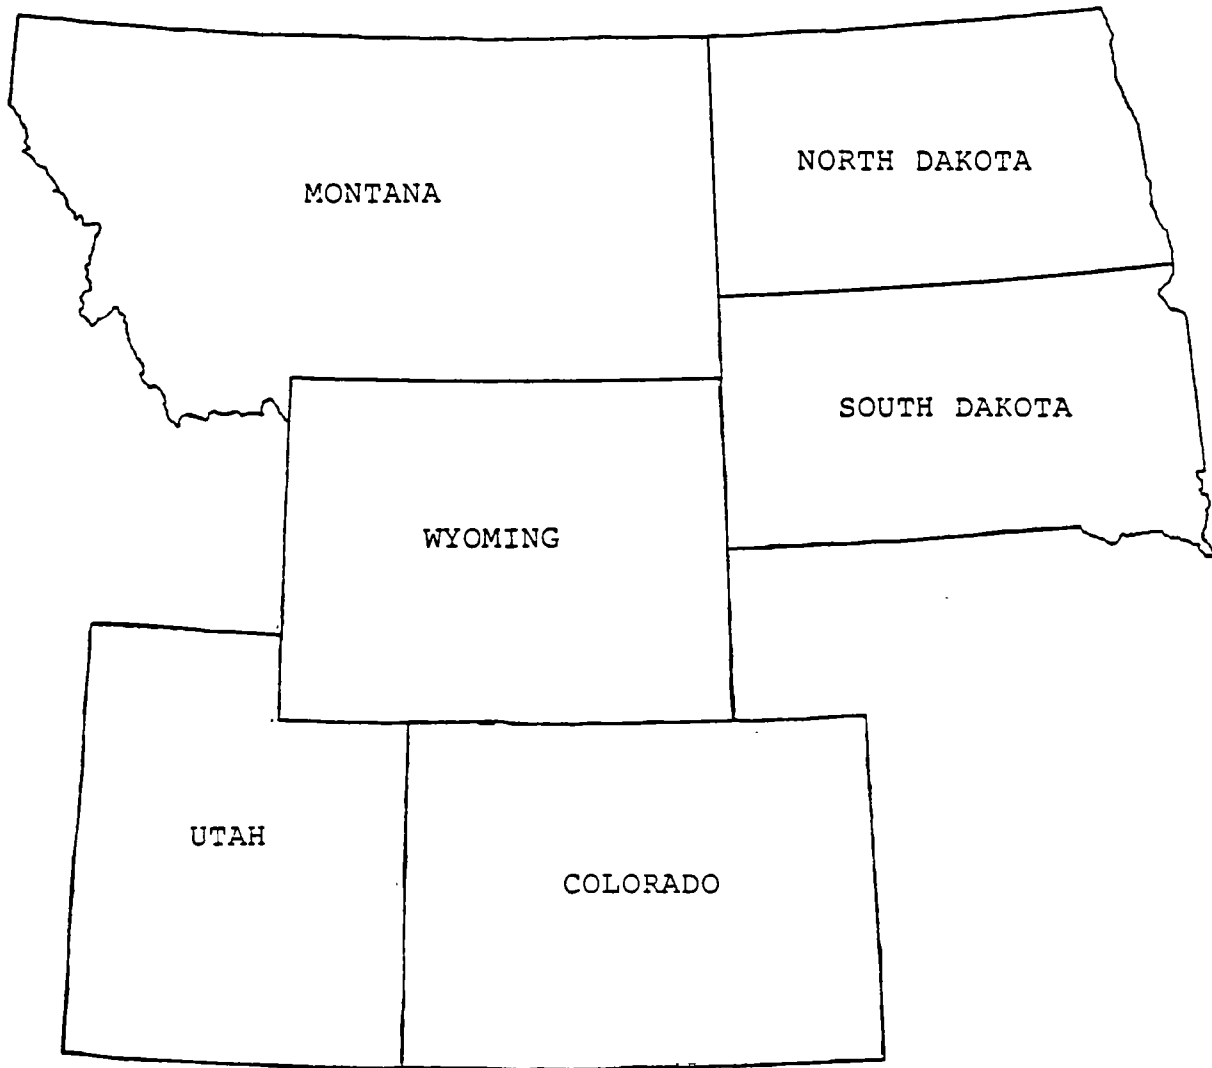

In some cases, the group did not provide all the above information. In Colorado, an asterisk (*) indicates that the group is a member of the Colorado Environmental Coalition. In North Dakota, an asterisk (*) indicates that the group is affiliated with the Dakota Resource Council.

We realize that any list is subject to change and revision. If you discover any errors or omissions, please call them to our attention. We are available by mail at the following address:
