

確保人人享有環境公正

Environmental Justice for All

確保人人享有環境保護。
這是美國環保署 (EPA)
的宗旨，也是環境
公正的核心內容。

EPA 深信，人人都應當能夠在清潔與健康的環境中生活。其核心使命是保護公眾健康及我們賴以生存、學習與工作的自然環境。

EPA 對環境公正所下的定義是：

在制訂、實施、執行環境法律、規章與政策時，確保人人享受公正的待遇並且能夠有意義地參與，而不分種族、膚色、原國籍或收入水平。

Ensuring environmental
protection for all.
That's what the
U.S. Environmental
Protection Agency
stands for, and that's what
environmental justice
is all about.

EPA strongly believes that all people should be able to live in a clean and healthy environment. It is the core mission of the Agency to protect the public's health and safeguard the natural environment in which we live, learn and work.

EPA defines environmental justice as:

The fair treatment and meaningful involvement of all people—regardless of race, color, national origin, or income— with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies.

公正待遇意味著任何一個群組（包括種族、民族或按照社會經濟條件劃分的群組）都不應當不合比例地承受工業、市政或商業活動所產生的不良環境影響，也不應當不合比例地受到聯邦、州、地方政府和部落的計劃與政策的影響。

有意義地參與表示：

- 可能受到環境影響的居民有適當機會參與決定對環境或健康有影響的計劃。
- 公眾意見能夠影響監管部門的決定。
- 決策程序尊重所有參與者的意見。
- 決策者主動徵求可能受影響者的意見並促進其參與。

總之，我們的目標是確保美國的所有社區和個人享有環境公正。環境公正的實現在於人人面臨環境危害和健康風險時都享有同樣的保護，並能夠平等地參與決策程序。

Fair treatment means that no group of people (including a racial, ethnic, or a socioeconomic group) should bear a disproportionate share of the negative environmental consequences resulting from industrial, municipal, and commercial operations or the execution of federal, state, local, and tribal programs and policies.

Meaningful involvement means that:

- Potentially affected community residents have an appropriate opportunity to participate in decisions about a proposed activity that will affect their environment and/or health;
- The public's contribution can influence the regulatory agency's decision;
- The concerns of all participants involved will be considered in the decision-making process; and
- The decision-makers seek out and facilitate the involvement of those potentially affected.

In sum, environmental justice is the goal to be achieved for all communities and persons across this nation. Environmental justice is achieved when everyone enjoys the same degree of protection from environmental risks and health hazards and equal access to the decision-making process.

解除對環境公正的憂慮

EPA 的任務是確保環境法律得到執行，以保護所有人的健康和環境，包括少數民族、低收入和部落社區的居民。在執行法律的過程中，EPA 必須確保所有社區享有環境公正。

環境法提供了許多排除環境風險和危害的機會。這些現行法律的實施是 EPA 防止上述社區不合比例地遭受不利影響的一項重要努力。

EPA 的環境公正使命涵蓋其各個工作領域，包括制訂標準、頒發設施許可證、發放補助金、頒發執照、監管以及審核聯邦各部門建議採取的措施。

Addressing Environmental Justice Concerns

EPA administers and enforces environmental laws to protect human health and the environment of all people, including residents living in minority, low-income or tribal communities. Securing environmental justice for all communities is a necessary part of the Agency's work to implement these laws.

Environmental laws provide many opportunities to address environmental risks and hazards in affected communities. The application of these existing laws is an important part of the Agency's efforts to prevent those communities from being subjected to disproportionately high and adverse impacts.

EPA's environmental justice mandate encompasses the breadth of the Agency's work, including setting standards, permitting facilities, awarding grants, issuing licenses or regulations, and reviewing proposed actions of the federal agencies.

環境公正辦公室

環境公正辦公室 (OEJ) 是 EPA 內的一個實體，其主要職責是協助 EPA 將環境公正的觀念納入各項政策、計劃及活動。OEJ 領導一項長期戰略計劃，協助將環境公正的觀念納入每一個 EPA 辦公室及地區戰略規劃與預算程序。OEJ 還與所有的利益相關者合作，積極從事及合作解決環境公正問題。

Office of Environmental Justice

The Office of Environmental Justice (OEJ) is the entity within EPA with the primary responsibility for coordinating the Agency's efforts to integrate environmental justice consideration in all policies, programs, and activities. OEJ heads a long-term strategic initiative to incorporate environmental justice considerations into each EPA office and region's strategic planning and budgeting processes. OEJ also works with all stakeholders to constructively engage in and collaboratively address environmental justice issues and concerns.
