## USING THIS BOOKLET TO HELP MEET FINANCIAL RESPONSIBILITY REQUIREMENTS

---

The U.S. Environmental Protection Agency (EPA) developed financial responsibility regulations to ensure that underground storage tank (UST) owners and operators can pay the costs of cleaning up leaks from USTs and compensate third parties for bodily injury or property damage resulting from leaks.

The financial responsibility regulations (40 CFR Part 280, Subpart H) allow UST owners and operators to choose from a variety of financial mechanisms to comply with the regulations. One of these financial mechanisms is the use of insurance.

In order to facilitate access to UST insurance, EPA developed this booklet based on information it received from the listed companies, agents, and brokers. The companies, agents, and brokers listed may help you – as an UST owner or operator – find the UST insurance that can fulfill your financial responsibility obligation. See the text box on the right for a description of the roles of companies, agents, and brokers.

**It is your responsibility to make sure the coverage you are offered meets federal requirements *and* any state or local requirements that may apply to your USTs.** If you choose to use insurance to demonstrate financial responsibility, you should contact your state insurance regulatory agency to be sure that your insurer and broker or agent is authorized to provide that type of insurance. To get contact information for your state insurance regulatory agency, call the National Association of Insurance Commissioners at (816) 842-3600 or visit its website at the following Internet address:  
**[http://www.naic.org/state\\_web\\_map.htm](http://www.naic.org/state_web_map.htm).**

If your insurer adds your UST coverage to an existing policy, your insurer should provide you with an endorsement that conforms to the “Endorsement” criteria described in §280.97 of the financial responsibility rule (40 CFR Part 280, Subpart H). If your insurer provides you with a new policy, it should conform to the “Certificate Of Insurance” standard also described in §280.97 of the financial responsibility rule. See pages 14 and 15 of this document for these criteria or you can read the rule at the following Internet address: **<http://www.epa.gov/oust/fedlaws/cfr.htm>.**

### **Who's Who?**

#### ***Insurance Company Or Insurer***

A corporation or association engaged primarily in the business of furnishing insurance to the public. The party to the insurance contract who promises to pay losses or benefits.

#### ***Insurance Agent***

An insurance company representative who solicits, negotiates or effects contracts of insurance, and provides service to the policyholder for the insurer.

#### ***Insurance Broker***

A marketing specialist who represents buyers of property and liability insurance and who deals with either agents or companies in arranging for the coverage required by the customer.

## HOW CAN YOU GET THE MOST CURRENT LIST?

---

The companies, agents, and brokers listed on the following pages have identified themselves as willing to deal with UST insurance. The following is not a comprehensive list because there are doubtless other companies, agents, and brokers who have not yet identified themselves to EPA.

EPA will periodically update this list. The most current version will always be found on the Internet at: <http://www.epa.gov/oust/pubs/inslist.htm>.

Printed copies of this list will not be available. It is not practical to update and reprint them as often as EPA can update the version available on the website.

## NEED MORE GENERAL INFORMATION ABOUT USTs OR FINANCIAL RESPONSIBILITY?

---

You can go to EPA's website at <http://www.epa.gov/oust/pubs> to read or download a copy of ***Dollars And Sense: Financial Responsibility Requirements For Underground Storage Tanks*** (EPA 510-K-95-004), a booklet that briefly and clearly summarizes the financial responsibility requirements. You can also obtain ***Dollars And Sense*** and other publications about underground storage tank requirements from NSCEP, EPA's publication distributor, by calling 800-490-9198; writing to NSCEP, Box 42419, Cincinnati, OH 45242; or faxing your order to NSCEP at 301-604-3408.

## **NEED TO REMOVE A PROVIDER FROM THE LIST?**

EPA will periodically update the list of insurers, agents, and brokers in this booklet. If you are an insurer, agent, or broker who can provide the insurance described in 40 CFR §280.97, please contact Cho-Yi Kwan, EPA's Office of Underground Storage Tanks, at 703-347-8908 or **kwan.choyi@epa.gov**. You will need to provide your name, address, phone and fax numbers, Internet address, area of coverage, and the name of a single point of contact within your company. Please be sure to review the requirements in 40 CFR Part 280, Subpart H, specifically §280.97, to ensure your company can provide insurance that meets those specific requirements.
