

**Protect your family
from pesticides...**

It's easy!

Association of Farmworker
Opportunity Programs

**Wash fruits and
vegetables before
eating them.**

**Clean thoroughly the
places where pesticide
residues can be found.**

**Bathe with shampoo
and soap directly after
work.**

**Remove work boots
before entering the
house.**

**Wash your work clothes
separately from the
family's clothes.**

**Prevent insects from
entering your home by
sealing cracks and keeping
the house clean and dry.**

**Have the whole family
wash their hands before
eating, drinking, or
going to the bathroom.**

**Close windows, turn off
ventilators, and cover
outside equipment when
pesticides are being
sprayed near your house.**

**Keep all cleaning and
pesticide products
outside of children's
reach.**

**Do not bring agricultural
pesticides home.**
