FUND

**FIND FUNDING
YOU DIDN'T
EVEN KNOW
EXISTED**

Designed by utilities for utilities, Fed FUNDS, EPA's free website, is a one-stop shop to help you easily find and take better advantage of funding from many federal agencies. You can use Fed FUNDS to quickly determine which funding programs work for you, learn the best ways to apply for funding, access successful applications completed by utilities and get help from utility funding mentors. Use Fed FUNDS to find the funding your utility needs after a disaster!
