

Independent Vehicle Emissions Testing Laboratory Listing

The U.S. Environmental Protection Agency (EPA) provides this list of laboratories as a reference only. EPA does not endorse any laboratory on this list and does not certify that they perform emission testing according to the Code of Federal Regulations (CFR), Title 40, “Protection of the Environment.” Data supplied to EPA from these laboratories must meet all requirements of the CFR. It is the responsibility of individual customers to affirm the laboratory’s testing capabilities and the quality of the data. Please contact complianceinfo@epa.gov to update this list.
